## Information

## Description

Stackable chair for indoor as well as outdoor use.

To commemorate our 10-year anniversary, Massproductions is paying tribute to the classic collection with a unique edition of the award-winning *Tio Chair*.

This unique version is in a hot dip galvanised metallic finish – with a natural patina that becomes a matte, grey hue over time.

Lead time 6 weeks.

## Instructions

For metal surfaces: Rinse with large quantities of water. Clean with wetting agent solution and use a sponge or soft cloth. Post-rinsing and drying. Specific instructions based on type of soiling: Greasy film can be removed with a concentrated wetting agent solution, alcohol or surfactant, after allowing the solution some time to break down the film before removing. Unidentifiable, stubborn dirt can be treated with facade cleaner (e.g., Ambruch2 [www.ambruch.de](http://www.ambruch.de)) or Power Wipes [www.interflon.net](http://www.interflon.net). Note: The specific methods listed here should be tested accordingly for possible damage to the surface.
